

Roadworks outside Hodge Bakshi offices July / August 2026

We would like to make you aware of planned gas works being carried out by Wales & West Utilities on Church Road, outside our office. The works are expected to commence on Monday 20 July 2026 and are currently anticipated to last for approximately two weeks, although this may be extended should unforeseen engineering issues arise.

What does this mean?

During the works, our office will remain open as normal and all services will continue to operate. Please note that vehicle access to the office and our car park will be restricted while the works are taking place. Pedestrian access to the office will remain available at all times.

If you are planning to visit us, we recommend allowing a little extra time for your journey.

Alternative Parking

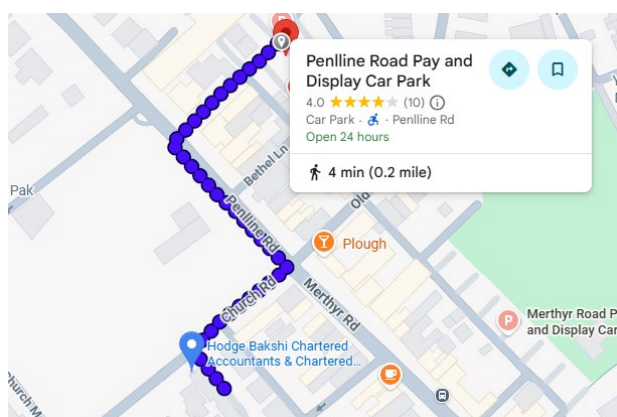

There is still free street parking in the area, but due to the road closures, we expect it to be busier than usual.

Dropping off records

If you need to deliver physical records, please continue to do so as pedestrian access to our office will remain available throughout the works. If you require any assistance carrying your records from your vehicle to the office, please let us know in advance or call us when you arrive, and a member of our team will be happy to assist.

Meetings

Face-to-face appointments will continue as planned. However, if you would prefer, your meeting can be conducted via Microsoft Teams. Please contact us if you would like to make alternative arrangements.

We apologise for any inconvenience these essential works may cause and appreciate your patience and understanding.
